A Prayer for Autumn

Unknown

We see signs of summer's passing in golden leaves,
shortening days, misty mornings, autumn glow.

We sense its passing in rain that dampens,
winds that chill, Harvest's bounty placed on show.

Creator God, who brings forth
both green shoot and hoar frost,

sunrise and sunset,
we bring our thanks

for seeds that have grown,
harvests gathered,

storehouses filled,
mouths fed.

And, as your good earth rests
through winter's cold embrace,

we look forward to its re-awakening
when kissed by Spring's first touch.

Autumn's approach brings a sense of letting go, allowing things that are ending to come to a natural close. As you open your hands to change, may you be given grace to see beauty in what has been, freedom in releasing it and possibility in what comes next.
