## **Fancy a coffee?**

*by Ingrid*

"Fancy a coffee?" She asked the other day,  
I said "yes of course" knowing what I wanted to say  
It would give me the chance I had been waiting for  
To talk about Jesus and tell her there's more

You see the last we met not so long ago  
I told her about Jesus but she didn't want to know  
This time I feel she is ready to hear  
As things changed for her this last year

Her daughter had been seriously ill and she was struck with fear

She knew I had prayed for her daughter to recover  
And hoped that one day she would discover  
That Jesus was with her at this difficult hour  
And that she would know of his healing power

When she spoke to me over the phone  
I sensed that she knew that her daughter had not been alone  
So when we meet for coffee this coming week  
I can tell her of how she can speak  
of her wonderful story  
And how she can give God all the glory

Now I can tell her for sure  
that God has a plan for her and I can say so much more  
Yes I look forward to seeing her again  
And I know she will want to hear about  
how Jesus healed her daughter's pain.
