5th & 12th April 2026

This Easter

It doesn't seem long since Christmas when we celebrated Jesus's birth
But He was only to live thirty three years on earth
He lived a life full of love for mankind
He cured the sick of leprosy and gave sight to the blind
Many other miracles He performed
But His enemies just sneered and scorned

And even though He was falsely accused
A fair trial He was refused
They continued to press charges which were full of lies
And was led to the cross where He suffered and died
He suffered and died for us all but this was not in vain
As on the third day Jesus rose again

He ascended into Heaven to His Father's side
Where one day with Him we can hope to abide
This Easter time let us reflect on the life that He led
Not only for this moment but instead
Let us try to follow and show love to each other
Knowing that Jesus is our friend and brother
Jesus is alive today
And we can draw close to Him when we pray
Miracles are not just something in the past
And He will answer when we ask.
