Consider yourself, one of the family!

Over the past few weeks, our series 'Encounters That Change Everything' has encouraged us to think more deeply about what it means to encounter Jesus, and how those encounters continue to shape our lives every day. A few Sundays ago, Maria reflected on Jesus' conversation with the Samaritan woman at the well. Jesus offered her living water—water that truly satisfies and brings eternal life. When she encountered Jesus, everything changed. She didn't just receive living water; she found hope, purpose, and a place to belong.

I'm sure everyone will know the well-known song from the musical 'Oliver'; "Consider yourself"? It's a joyful song about finding acceptance and belonging after feeling alone. Isn't that exactly what Jesus offers us? When we put our trust in Him, we don't simply receive forgiveness or the promise of eternal life. We are welcomed into God's family. We become brothers and sisters in Christ, united with believers across the world and throughout history. What an incredible thought! We belong to something so much bigger than ourselves.

Here at King's Church Iver, we have the privilege of being one small part of that worldwide family. We worship together, encourage one another, pray for one another, celebrate life's joys together and carry one another through its challenges. Church is far more than a building or a Sunday gathering; it is a family, where everyone is welcome and no one walks alone. So this week, take a moment to thank God for the family He has brought you into. And if you see someone standing on the edge, wondering if they belong, perhaps you could be the one to help them discover that in Jesus there is always room for one more at the table.

Heavenly Father, thank You for welcoming us into Your family through Your Son, Jesus Christ. Thank You that we never have to walk through life alone. Help us to love one another well, to encourage one another in faith, and to reflect Your welcome to everyone we meet. May our church continue to be a place where people encounter Jesus, find belonging, and discover the joy of being part of Your family. Amen.

KING'S PLACE

Wednesday afternoons
 2-4pm in the King's Church building

After England's victory against Mexico, Marc Guéhi shared a caption referencing the famous "Hand of God" moment at the Azteca Stadium, but with a different focus. Whether intentional or not, it's a powerful reminder that every victory belongs to God, not us. The phrase "Hand of God" became famous through one of football's most controversial moments. Yet Scripture points us to the true hand of God: the One who guides, strengthens, and deserves all the glory.

"Not to us, O Lord, not to us, but to Your name give glory." Psalm 115:1
